- 1. The Brandenburg Land Police is reported to be preparing measures for the total blockade of the western sectors of Berlin. During the rast week there has been a significant regrouping of the Brandenburg police for an action referred to among ministry officials as "Ring um Berlin" (cordon around Berlin).
- Four special Kommandanturen were organized for the above action: 2,
 - Falkensee, with three substations.
 - Schmöckwitz, with three substations.
 - Schwanebeck, with eight substations.
 - Teltow, with five substations.
- The four Kommandanturen with substations will be supported by motorized 3. formations.
- Another reliable source reports that two Bereitschaften or pararilitary police units, one from Saxony and one from Saxony-Anhalt, totalling about 500 men, arrived in Berlin over the weekend.
